

GLOBAL CITIZEN ADVENTURE CORPS

Cultivating global citizens through education, service, and travel

Cassie Patterson brings a strong background in Customer Service and Human Resources to GCAC.

With over 20 years of experience in her field, she remains committed to excellence and pushes herself toward continuous learning and growth. Born in Oklahoma City, OK, and raised in Atlanta, GA, she developed a love for wanting to help our youth at a young age. This passion led her to GCAC where she sees service learning as a great way to aid in developing personal and interpersonal skills by reducing stereotyping and improving understanding of racial and cultural differences.

She currently resides in Clarksville, TN, and outside of work, she enjoys spending time with family, traveling, reading, and watching her favorite crime shows. She said of her role with GCAC, "It's not what I want to get out of it, but the help I would love to give to others through experiences and education. I believe that giving back to the community is very important, and I strive to make a positive impact wherever I go."
